WILMINGTON DISTRICT, CORPS OF ENGINEERS
PO Box 1890
Wilmington, North Carolina 28402-1890

DR 600-20

DISTRICT REGULATION
NO. 600-20

9 February 1990

Personnel-General
ARMY COMMAND POLICY AND PROCEDURES

1. Purpose. This regulation provides the procedures to be followed in establishing the order of command for unusual circumstances.
2. Applicability. This regulation applies to all elements of the Wilmington District.
3. Reference. AR 600-20, Army Command Policy.
4. Policy. When events have occurred which require that a determination has to be made for the establishment of an Acting Commander, the following actions will be taken. In the absence of the District Commander, the Deputy Commander is the Acting Commander. When both the District Commander and the Deputy District Commander are not available, the designation of an Acting Commander will be made in the following order:

Deputy District Engineer, Project Management

The senior grade Engineer from either Construction-Operations, Engineering, or Planning Divisions.
5. Responsibility. Under normal circumstances, the Executive Office will have the responsibility for notifying all elements of the Wilmington District when there is an Acting District Commander. In case of a National Emergency, as under Condition ALFA, the Ranking Resident Engineer will assume command with responsibilities as established in the CESAW Engineer Continuity of Operations Plan (COOP).
